Publications

On your profile webpage we can list a number of your most recent or key publications. In addition, our publication database can provide a complete listing of all your publications. This database is actually part of the Nebraska Maps & More (NMM) e-commerce site; thus people can make an on-line request for copies of your publications. The NMM can then provide a copy of the publications if it is available or allowed to be reprinted. (You can also have a vitae attached to your webpage that has your complete publication listing.

Please provide a short list of your publications (up to 7) to be displayed on your webpage. You can provide hard copies of the publications to Elaine Connelly or Jacki Loomis in NMM.
