

Paving Stone Order Form

Introducing our new Paving Stone Campaign. Now there is an exciting new way to have your family's support of the Capitol Theatre live on in perpetuity. A 16-inch square paving stone will be engraved with your name on it. The paving stones will become part of the walkway in specially designated areas along King Street, Forsyth Street, the alley between the Capitol and the Annex, and at the rear entrance of the building. **They will stand as recognition of your support for thousands of patrons to appreciate for many years to come.**
