

Please identify any of the following student(s) who may be at-risk.

If a student is doing well, please do not submit any alerts but do insert a letter grade (if available). Once you have identified all students who may be at risk and have reported available letter grades, please click the "Submit by Email" button and send to complete the submission for that course.

Please use the following criteria to identify at-risk students:

Academic Alert: D or F standing in the Course or Isn't turning in assignments

Attendance Alert: Student's poor attendance is affecting his/her success
