Question Set Defaults - Choose all that apply

☐ Randomize the order in which the questions are delivered.

☐ Randomize the order of each question's answer options.

☐ Don't allow backtrack.

☐ Display feedback after each question.

☐ Correct answer must be selected before next question is presented.

Submission Settings

Mastery Settings

When selected, the course editor specifies a percentage to represent mastery on the assessment. User scores equal to or higher than this percentage are considered to demonstrate mastery of the assessment and denied access to retake the assessment.

○ enable   ○ disable

If enabled, what score qualifies as mastery?

_____ %
