

Midland County Sheriff's Office

Sentence Length Date and Fine Calculator

Step 1

Start Date:

Add start date to total days to serve
also need to convert time to 2 for 1 and 3 for 1

Step 2

Enter # of Days
Previous Credit
Total Days to Serve

<input type="text"/>
<input type="text"/>
<input type="text"/>

Step 3

Enter Fine

Need add days to serve with fines converted and have answer in date format this is for 2 for one and 3 for 1 solution

Days to Serve Release Date:			Days to Serve		Fines Converted To Days	Release Date Days + Fines
1 for 1			N/A		N/A	N/A
2 for 1		2 for 1		2 for 1		
3 for 1		3 for 1		3 for 1		

Use this area to calculate # of days between dates.

Start Date:

End Date:

=

Date: _____

your answer on first response worked this sections problem out. This works great.

Signature: _____
