The screenshot displays the Adobe Workfront One homepage. At the top, there is a search bar and a navigation menu with links for Home, Getting Started, Resources, New Workfront Experience, Collaboration, Events, Support, My Experience, and a customer support number. Below the navigation is a red banner with the text: "Join fellow experts pushing the boundaries of collaborative work management and access a vast library of content, courses and connect with a vibrant community of fellow learners." The main content area features three promotional cards: 1) "Leap is now part of Adobe Summit—The Digital Experience Conference. Adobe SUMMIT A free virtual event April 27-28, 2021. Join us at the free virtual event April 27-28, 2021. Learn more" 2) "COVID-19 changed digital work. Read the report to see how technology expectations shifted and get clear takeaways for leaders responsible for supporting their digital workforces through uncertainty. Read the report" 3) "LION AWARDS DEADLINE extended. Submissions are now open until May 7, 2021. You've worked hard this past year. It's time to celebrate! Apply today" Below these cards is a "Community discussions" section with a form to "Share an update..." and a "Share" button. It also includes a "Sort by:" dropdown set to "Latest Posts" and a list of recent posts: "Only 2 days left to submit for a Lion Award! Lion Award · Kyma Baker · May 5, 2021 at 12:59 PM" and "Workfront Research Survey: Custom Form Builder Custom Forms · Elissa Lauber · May 5, 2021 at 9:34 AM". To the right is a "Product updates" sidebar with sections for "What's new in Workfront" (21.1 and 21.2 release overviews), "Workfront Fusion 2.0" (articles), "Discover the new features in the new experience" (see what's new), and "Other" (maintenance updates, known issues).

**Thank you!**
